WORK EXPERIENCE

Research & Data Analyst Intern
NRHR Talent Consulting Company

📅 Jul 2025 - Present   📍 Naperville, IL

- Conducted research to support outreach and expansion initiatives, synthesizing findings into strategic reports using Excel and PowerPoint
- Designed organizational structures and hierarchy charts to improve role clarity and operational alignment
- Developed job descriptions and role documentation in Word to support hiring, onboarding, and internal operations

User Experience Design Lead
UX Design-A-Thon Project – Kaizen

📅 Feb 2026 - Mar 2026   📍 Gainesville, FL

- Designed a mobile app to help students stay motivated during the internship application process
- Conducted rapid user research and translated insights into a clear, streamlined user flow
- Built high-fidelity, interactive prototypes in Figma within a 24-hour design sprint

User Experience Design Intern
InSight Arts

📅 Jul 2025 - Dec 2025   📍 Brooklyn, NY

- Translated high-fidelity Figma designs into responsive Wix pages, maintaining design consistency and accessibility standards
- Led the design of the shop page experience, developing a streamlined user flow to support intuitive browsing and purchasing
- Navigated platform constraints within Wix while preserving usability, accessibility, and adherence to the design system

LEADERSHIP

Vice President External
Lambda Phi Epsilon International Fraternity, Inc.

📅 May 2025 - Present   📍 Chicago, IL
